

**FLAGPOLE POLICY**  
(Revised 6/10/2002)

*In-ground Flagpoles:* Will be permitted without architectural approval providing that they meet the following requirements:

1. One (1) in-ground flagpole per lot will be allowed.
2. The flagpole shall not be erected within 10 feet of the lot boundaries.
3. The flagpole should not exceed the height of the home, or a maximum of 20 feet.
4. If a homeowner would like to install a flagpole different from the above specification, they must submit plans and receive approval from the ARC.

*Seasonal / Decorative Flagpole:* One (1) decorative flagpole, which is attached to the residence, will be allowed and will not require architectural approval. Seasonal / Decorative flags may be no larger than 3 X 5 feet.
